Art House! We are 5 Years Alive.

Dear Friends of Art House:

It is remarkable that another new year is upon us! It has been a year of growth and change at Art House, and we hope you share our enthusiasm for the future.

Although it was with decidedly mixed emotions that Art House announced the departure of our founding Executive Director in October, we are grateful for Sheryl Hoffman's leadership, vision, and financial stewardship, and know that she continues to support Art House in every way possible. Our Board of Directors has undertaken the challenge of identifying our next Executive Director knowing it is the most important decision to be made for Art House's continued growth and success. We look forward to selecting and introducing our new leader in the coming months.

2008 is sure to be another exciting year at Art House! We are so fortunate to witness the transformative effect of art and creativity on people's lives. We hope you enjoy the new format of our class schedule - we hope you will find both your favorites and something new worth exploring. Take a class and celebrate the arts with us!

Thank you for your continued commitment to Art House – Where Art Lives!

Sincerely,

Rachel Costanzo
President, Board of Directors

Meet Becky!

Please join Art House in welcoming Becky Cummings, our new Program Coordinator. Becky joined Art House in August to lead the development, coordination, and implementation of our arts programming and our Supporting Artists and Educators Network (SEAN). Becky will manage our volunteers, assist with fundraisers and events, and engage in community outreach and partnership opportunities. Becky brings nearly ten years of experience working in the non-profits art and education world. She has taught Theatre, English and Speech instruction to both children and adults. Most recently, Becky was the Community Outreach Coordinator for the Ingenuity Festival of Art and Technology, where she developed events, secured donations, wrote grants, and managed both volunteers and event staff. Art House enthusiastically welcomes Becky, and looks forward to her energetic approach and creative thinking! Feel free to contact Becky through a phone call or email her at bcummings@arthouseinc.org.
