First Baptist Church's talented Director of Music and Organist Dr. Robert Schneider and Assistant Director of Music Betty Meyers will present a varied program of music for piano and organ, two harpsichords, and two pianos. Each artist will perform solo and in collaboration on our magnificent Skerritt-Cumming pipe organ, Sperrhake and Dowd harpsichord, and Steinway grand pianos.

The recital will feature interesting and exciting music by Soler, Byrd, Schubert, Poulenc, Shostakovich and Alain.

The recital is free and open to the public.

A reception follows the recital, and all are encouraged to stroll through the church art exhibit of photographs taken by Betty Meyers. Included are photos of stained glass windows in area churches, including windows by Cleveland artist, R.T. Wright as well as travel scenes from South Africa, Nicaragua, and the Middle East.
