

Bellview's Dead

By: Jackie Shuler

"Get to know the characters"

Premise

"One man dying to tell the world his story"

Summary

The story surrounds a man "Bryan Page" who is living in a post apocalyptic world and is actually transforming into a zombie throughout the film. The story gets across to the audience by Bryan's documenting of everything that is going on. He sits at his desk with his webcam telling his story on how the world has gotten to this terrible state. Flashbacks of the headline story telling how the VP of the United States suffered a terrible attack. Flashbacks of Bryan worrying about his fiancée' out on the streets trying to survive on her own. Flashbacks of his journey out to find her and finding a worthy unknown ex police officer instead and flashbacks of the Zombies closing in on Bryan and Bryan having to shoot the only woman he has ever loved. The story follows the transformation of a world under attack by an unstoppable virus but more importantly it follows closely the transformation of man into zombie.

FYI

For all who are auditioning for a part or just wanting to be a Zombie extra.

- **Bryan Page, Sarah Reed, Unknown Officer, and Zombie Extras...**
- These characters will at some point in the film be Zombies, therefore all must have at least one outfit that they can get "Zombie-fied".
- **Bryan, Sarah, and Unknown Officer** will have their makeup done on set by specific makeup artists.
- ALL Zombie extras will be in charge of their own makeup! Stage Blood additions will be added on set to those who wish to have some.
- WARNING: The Stage Blood WILL stain clothes, therefore you are in charge of bringing old clothes that you are not afraid to ruin.
- **Bryan, Sarah, and Unknown Officer** will have conditioner put in their dry hair to get the "dirty" effect. Anyone who is not accepting of that should not audition for one of those parts.
- Any questions pertaining to anything stated above can be e-mailed to me directly @ Jshuler0827@gmail.com. Please do not be afraid to ask anything that may be on your mind!
